

Self-Checkout Tabletop Unit

Checking out library materials has never been so easy!
Expand your library's patron services with the i-circ[®] self-check unit.

i-circ[®] Model LS-002T is a tabletop unit designed with space in mind. This is ideal for installations at the circulation desk. Its small footprint is the perfect solution where counter space is a concern.

Dimensions: 24" H x 15" W x 16" D

The i-circ[®] unit allows patrons to check out materials quickly and confidentially without waiting in lines at the circulation desk, and affords library staff more time for other critical circulation functions.

The i-circ[®] kiosk works with all the leading circulation systems, and its many exciting features will make the checkout process a pleasant experience for people of all ages. The staff will

appreciate the i-circ[®] unit's ease of operation and little need for attention.

KEY
